GIACOMO NADAL

WORK EXPERIENCE

KPMG

Consultant

September 2024 – Present

KPMG is a consulting and audit firm. Within this environment, I have been able to improve and acquire new knowledge, while learning a new, result-oriented work approach. I am part of a team that focuses on auditing.

ETRA

Project manager

June 2021 – September 2021

ETRA is an engineering and design company. In this role, I managed small projects related to the development of mobile telecommunications infrastructure, interacting with clients and coordinating with the internal teams responsible for project development.
